The uses of these products are not limited to the above. Conditions that could affect the safe installation of this material may vary from site to site. Purchaser/user is solely responsible for the proper installation and testing at the installation as may be appropriate or required by local, state or federal regulations. The Purchaser/user must have a qualified person inspect the installation and submit any questions regarding the particular application of the product to a qualified engineer. Strong Man Safety Products disclaims responsibility for the results of any inappropriate or inadequate installation.
